

“Ashir” - Rich man

3.23 min, music clip, song in hebrew

A Sand Animated Song of 'Los Caparos' is dealing with the term of 'Rich' from the material and mental side. The sand, I'm painting with, it's a basic, free and floating material. People are strangers in the world. A man, in an animation, is coming to a blanc world alone, he can be rich, but not happy - in hebrew rich and happy are heard the same! So, the first part of the song I made about richness, but it changes soon to a happiness instead...
