

ASHIR
(Rich man)
Text: Dan Toren

Honey I'm rich
Rich I'm, Honey
Rich, Rich
Listen to a song

Honey I'm rich
Rich I'm, Honey
Rich, Rich
Listen to a song

I have all this...
I have all...

North star, oxygen to breathe,
To walk, to come back, to dream, to sleep,
To fight, to love, to take, to give
I have you, even if sometimes

Honey I'm rich
Rich I'm, Honey
Rich, Rich
Listen to a song

Honey I'm rich
Rich I'm, Honey
Rich, Rich
Listen to a song

I have all this
I have all...

I have all this
I have all...

North star, oxygen to breathe
To walk, to come back, to dream, to sleep,
To fight, to love, to take, to give
I have you, even if sometimes...
